Madison, WI – On Tuesday, January 25th, Senator Mary Felzkowski (R-Tomahawk) announced that Brody Kowieski and Ella Uelmen have been chosen to participate in the 2024 Senate Scholar Program. High school juniors and seniors from around the State of Wisconsin will be participating in a week-long, intensive program at the State Capitol in January, February, and March.

The Senate Scholar Program’s rigorous curriculum is two-fold. First, the students are introduced to many facets of the legislative process. The Scholars will meet with legislative support agencies, legislative staff, the Governor’s staff, a Supreme Court Justice, the media, lobbyists, and University of Wisconsin-Madison faculty members. The students then put their knowledge into action. When the Senate is on the floor, Scholars staff the session under the direction of the Senate Sergeant at Arms’ office. The week’s events culminate in a Senate Scholar committee hearing on a bill that the students have drafted.
