**Rep. Neubauer Responds to Governor Tony Evers' Announcement to Not Seek Re-Election**

MADISON, Wis. — On Thursday, July 24th, Governor Tony Evers announced that after serving two terms as Wisconsin governor, he will not be seeking re-election. Assembly Democratic Leader Greta Neubauer (D-Racine) released the following statement regarding this news:

“I want to express my gratitude to Governor Tony Evers for his dedicated service to the state of Wisconsin. Throughout his career, Tony Evers has demonstrated that he cares deeply about the people of our state and works to do the right thing.

When Tony Evers beat Scott Walker, it signaled the end of an era of right-wing governance and a new path forward for Wisconsin. Governor Evers held the line on Republican overreach, vetoed bills that would have harmed Wisconsinites, and worked to get things done where possible.

In a very difficult moment for our country, Wisconsin has had a kind, caring, and thoughtful Governor at the helm, and that has meant a great deal to the people of our state.

Making the decision to step away from public office is not easy, and I respect the Governor's decision to do what's right for him and his family. As Democrats, we will continue the work of ensuring the will of the people is the law of the land.”
